

ARTICLE IX
Miscellaneous Provisions

*Compares to Chapter 14
in the Current City
Charter*

INTENT

Many sections of Chapter 14 in the current City Charter have been supplanted by Florida Statutes and are, therefore, obsolete.

Other sections of Chapter 14 were moved to Articles in the revised Charter for compatibility of content.

Section Descriptions

- ▶ Section 9.01 Force Majeure: This section excuses the performance requirements of the Charter due to unforeseen natural disaster events. There is also a requirement in this section that any lapse in performance must be corrected as soon as practicle.
- ▶ Section 9.02 Severability: This section provides that if any provision of the revised Charter is held invalid, the other provisions of the Charter shall not be affected.
- ▶ Section 9.03 Conflicting Laws Repealed: *All laws and parts of laws in conflict herewith insofar as they apply to the City of New Smyrna Beach be, and the same are, hereby repealed.*
