Volusia Business Resources March 2024 Business Survey- We Want To Hear From You!:

To gauge ways to develop or enhance existing programs for the business community, the VBR affiliated partners (including the City of New Smyrna Beach) would like New Smyrna Beach businesses to take one minute to answer two quick questions.

- How would you rate your understanding of the process for obtaining business financing?
- Are you more likely to pursue financing opportunities for your business if provided with financial literacy and credit readiness tools?

To take the quick online survey, please click the link below:

City of New Smyrna Beach partners with CGI Digital to participate in their Community Showcase Video Program:

We are pleased to announce our partnership with CGI Digital (CGI) to implement a Community Showcase Video Program. The CGI program allows municipalities (like the City of New Smyrna Beach) to enhance their website and social media platforms by adding high-definition video content. The program is tailored to showcase the best of what NSB has to offer prospective real estate developers, businesses, residents etc.

With a highly visible interface on our official city website homepage (www.cityofnsb.com) our **Community Showcase Video Tour** will allow viewers to learn more about the city's quality of life, business environment, economic development and more.

We know NSB businesses play a critical role in our city's economic vitality. As a result, this program will allow the city to launch its **"Elevate the Vision of Your Business in NSB" marketing initiative**. The marketing campaign will present a sponsorship opportunity for local businesses to enhance their online presence. In addition, the Community Showcase Video Tour will backlink to CGI's www.elocallink.tv providing increased exposure for all participants. Our businesses will also have an exclusive first look at CGI's latest product, SeeSaw™, that accelerates businesses' existing websites through engaging and educational video content.

We encourage you to consider being a part of this completely voluntary marketing initiative. **However, please know that there is no obligation to participate in the program by the City of New Smyrna Beach.**

Thank you for being a part of what makes New Smyrna Beach a great place to "Elevate the Vision of Your Business".

For more information about this partnership, please contact Chris Edwards, CRA/Economic Development at (386) 279-2497 or email: cedwards@cityofnsb.com

The City's US 1 Corridor Commercial Redevelopment Vision Unfolding:

Over the past year, commercial redevelopment project activities have been increasing for the US 1 Corridor. Currently, the CRA/Economic Development Director has been working with various commercial property owners on their business expansion and redevelopment project plans. Projects that have been approved by the CRA Board/City Commission for CRA 50% reimbursement grants and that are currently being redeveloped include: The Bowman Center- 501 S. Dixie Fwy (featured on page 3), and New Visions Business Park at 318 N. Dixie Fwy.

Update: On February 27th, the CRA Board (i.e. City Commission) approved 2 CRA Grants. Davis Bros. received a \$250,000 Adaptive Reuse Opportunity Grant award for a commercial redevelopment project at 708 N. Dixie Fwy., and Delegal LTD, Inc. received a \$100,000 Large-Scale CFPI Grant for commercial redevelopment project at 1311 N. Dixie Fwy.

For more information about recent US 1 Corridor Commercial Redevelopment activities, please contact Chris Edwards, CRA/Economic Development at (386) 279-2497 or email: cedwards@cityofnsb.com

CRA helping to “Revitalize NSB” and Diversify Tax Base through local business expansion and commercial property redevelopment along US 1:

On February 14th, the CRA Board (City Commission) awarded a \$250,000 Adaptive Reuse Opportunity Grant to Cristal Clear Properties, LLC for a US 1 commercial facade/property improvement project **located at 501 S. Dixie Freeway in NSB**. The property will be marketed as **The Bowman Center**.

Update: New Smyrna Beach commercial property and business owner, Cristal Dongilli, worked with Tom Donatti Building & Roofing, Inc. to renovate the building at an estimated cost of over \$1 million. **Additionally**, the owner purchased the former auto sales property at 511 S. Dixie Fwy. for approximately \$500,000. Currently, the owner plans to utilize that property for additional commercial space and parking. The Bowman Center will serve as an executive office for **Chase Components, LLC**. Chase Components is a premier distributor of board-level electronic components, peripherals and power supplies. **To date, the owner has leased other commercial retail and flex space to the following businesses:**

- **Collective Design and Millworks** (interior design studio and also boutique formally known as Sei Boutique)
- **Wishes Skincare** (healthcare and skincare)
- **Coastal Retreat Salon** (hair salon)
- **Elite Tinting Company** (specializing in commercial/residential tinting and automobiles)
- **Evey K Boutique** (women’s apparel, accessories, home decor and personal styling)
- **The Zone Nutrition** (smoothie and juice bar)
- **Coastal Pilates Co.** (pilates studio)

Volusia County Community Development Block Grant- Disaster Recovery:

Volusia County Government was awarded \$328.9 million in Community Development Block Grant-Disaster Recovery (CDBG-DR) funds from the U.S. Department of Housing and Urban Development to spearhead a comprehensive and enduring recovery initiative called Transform386. Following the significant damage caused by Hurricane Ian, this funding will be instrumental in facilitating the county's long-term restoration and revitalization.

On 10/3/23, the County Council approved the Action Plan and Budget Allocation. As a result, the Action Plan is being submitted and reviewed by HUD. An update on HUD's review should be available by January 2024.

For action plan updates: please click the link below
<https://www.transform386.org/allocation-action-plan.shtml#actiontimeline>

Volusia County Homeowner Recovery Program:

Volusia County has received Community Development Block Grant-Disaster Recovery (CDBG-DR) funding from the U.S. Department of Housing and Urban Development (HUD) to offer financial support to homeowners who still need housing repairs or would like to seek reimbursement for repairs already completed due to Hurricane Ian's damage.

The program seeks to offer hope to homeowners who desire to repair their homes or regain financial stability in the aftermath of this natural disaster. The availability of these funds serves as a crucial resource to facilitate the recovery process and enhance the resilience of Volusia County residents.

Interested homeowners are advised to gather all necessary documentation before applying.

For more information, please contact: (386) 943-7029 or click the link below.

Palm Street Sidewalk Project:

The City of New Smyrna Beach, through the funding assistance of the City's Community Development Block Grant Program and Community Redevelopment Agency is working on a plan to issue an Invitation to Bid on the construction of a new sidewalk along Palm Street (pictured below) . The Palm St. segment will include the length of Palm (Ronnoc Lane to the north and Mary Avenue to the south). The scope of work entails constructing a sidewalk along Palm Street for approximately 1004 feet. Once completed, the project aims to provide a safer pedestrian option for individuals and families.

Update: The project is nearing completion. Road resurfacing work has been completed. By mid March 2024, new striping, ADA and signage improvements will be completed.

For more information, please contact: Irma Terry at 314-4849 or email: iterry@cityofnsb.com

CRA Projects: Affordable Housing

Senior Affordable Housing Development NOW UNDER CONSTRUCTION in the Historic Westside Neighborhood:

The City of NSB continues its partnership with the New Smyrna Beach Housing Authority to provide affordable housing in NSB. The Greenlawn Manor Senior Housing Development Project is now under construction. Once construction is complete, the project will include 80 housing units and amenities such as offices, community rooms etc. Project funding was made possible by a U.S. Housing and Urban Development (US HUD) 9% Low Income Housing Tax Credit Award.

On October 26, 2021 the City Commission approved a \$425,625 CRA Housing Grant to fund Greenlawn Manor infrastructure, demolition, and site work costs. The affordable housing construction costs are approximately \$23 million.

Multifamily Affordable Housing Development Plans in the Historic Westside Neighborhood:

On August 22, 2023, the CRA Board/City Commission approved a City of New Smyrna Beach Community Redevelopment Agency \$460,000 Grant to the New Smyrna Beach Housing Authority for a Westside Phase II Multifamily Housing Development Project submittal to the Florida Housing Finance Corporation 9% Low-Income Housing Tax Credit (LIHTC) Program.

How Does LIHTC Work?

The LIHTC Program is a federal government program that provides for-profit and nonprofit organizations with a dollar-for-dollar reduction in federal tax liability in exchange for providing equity financing for the new construction of low and very low-income rental housing units. The tax credits are allocated by the federal government to state agencies such as the Florida Housing Finance Corporation through a competitive process. A housing credit allocation to a development can be used for 10 consecutive years once the development is placed in service and is designed to subsidize 70 percent (the 9 percent tax credit) of the low-income unit costs in a development.

The Westside Phase II application presents a plan to construct a new multifamily housing development project consisting of (3) three-story buildings with (24) units per building for a minimum total of 72 housing units and a clubhouse for recreational and other resident activities at 500 Brooks St. The project is expected to cost approximately \$27.6 million. CRA funds would be utilized for development cost such as: development fees, hard and soft cost etc. If the project proceeds as proposed, an August 2023 Economic Impact Analysis report revealed an approximate \$87.7 million-dollar economic impact to New Smyrna Beach.

For more information, please email Chris Edwards at cedwards@cityofnsb.com

City of NSB and the NSB Housing Authority Partner with Volusia County on a VOLUSIA FORWARD PROJECT response for a \$50 Million National Oceanic and Atmospheric Administration (NOAA) Climate Resilience Regional Challenge:

Last year, the Housing Authority lost 40 units of public housing units near the Julia and Washington St area due to impacts of Hurricane Ian. The vacant housing units are pictured in the aerial map below.

Currently, City of NSB CRA and NSB Housing Authority management staff are working with Volusia County and their grant consultant on a collective response to NOAA regarding the Live Oak Homes Property. Staff will be requesting funding assistance for eligible NOAA land acquisition and green infrastructure planning activities.

This proposed project will build upon significant regional resilience planning efforts to implement a collaborative action plan of property acquisition, mitigation etc. while leveraging funding from multiple sources, to provide resilient climate change and risk reduction solutions that engage NSB and other Volusia participating jurisdictions such as; City of Daytona Beach, City of Edgewater, and City of Oak Hill.

The County plans to submit a response to NOAA in February. If NOAA awards the grant to Volusia County, allocated funding would be disbursed to participating jurisdictions which include NSB. Funding will be available from October 1, 2024 to September 30, 2029.

Southeast Volusia Manufacturing & Technology Coalition (SVMTC): A partnership with the Southeast Volusia Chamber of Commerce, the Cities of New Smyrna Beach, Edgewater and Oak Hill to recruit aerospace, aviation, manufacturing, and technology based industry related businesses that create more value-added job opportunities in Southeast Volusia. www.sevolusia.com

Expedited Permitting: The City's Planning Director and the City's Building Official have received high marks for working with developers and contractors to conduct reviews and issue permits in the shortest amount of time possible. We know that the most helpful incentive we can provide is a short amount of time for permitting in order to get the business up and running as quickly as possible!

City Property Tax Exemption: Per Florida Statute 196.1995, this City property tax exemption program (adopted by City Ordinance 73-14) is designed for businesses creating jobs. The program has many requirements and tax exemptions must be approved on a case by case basis by the City Commission.

The tax exemption is only eligible for "...up to 100 percent of the assessed value of improvements to real property made by or for the use of a new business and of all tangible personal property of such new business, or up to 100 percent of the assessed value of all added improvement to real property made to facilitate the expansion of an existing business and of the new increase in all tangible personal property acquired to facilitate such expansion of an existing business..." The exemption does not apply to land or existing buildings. The CRA/Economic Development Director will help eligible businesses apply for the exemption.

County and State Programs: The CRA/Economic Development Director can coordinate applications for Economic Development Incentives through City of NSB partnerships with Team Volusia EDC, Volusia County Economic Development, Southeast Volusia Manufacturing and Technology Coalition, Inc. and Enterprise Florida.

Referrals to Business Resource Agencies: The City of NSB partners with a number of business resource agencies that offer a variety of services at no charge. These services include employee recruitment and screening, business planning, determining the best financing options, and access to grant funds.

Business Planning Information: In addition to incentives, the CRA/Economic Development Director can provide business planning information including the latest traffic counts for arterial roads in the city limits, as well as "ring data" – demographic data for households within 1-3-5 mile rings from a certain commercial address.

BROWNFIELDS ASSESSMENT PROGRAM

TRANSFORM THE PAST.

BUILD THE FUTURE.

U.S. EPA Brownfield Program- Now Available in Southeast Volusia-SEV (i.e. Cities of New Smyrna Beach, Edgewater, and Oak Hill)

EPA awarded the SEV Cities a \$600,000 Brownfields Assessment Coalition Grant. Community-wide grant funds will be used to conduct 32 Phase I and 10 Phase II environmental site assessments and prepare 10 cleanup plans. Grant funds also will be used to prepare reuse plans and conduct community engagement activities. Assessment activities will focus on the Southeast Volusia County Corridor along US 1.

EPA's Brownfield Program empowers states, communities, and other stakeholders to work together to prevent, assess, safely clean up, and sustainably reuse brownfields. A brownfield site is real property, the expansion, redevelopment, or reuse of which may be complicated by the presence or potential presence of a hazardous substance, pollutant, or contaminant.

Stantec (formerly Cardno) is the consultant firm that SVCIC is working with to implement the program. The City of New Smyrna Beach is the lead contact for the program.
